FREELANCE WRITER

I am an enthusiastic and dedicated writer with a background in architecture and a portfolio of more than thirty published stories on Medium. Eager to leverage strong research, analytical and creative skills in a professional writing role. Passionate about crafting compelling narratives and delivering high-quality content while giving back to the community through captivating story telling. As an active participant in writing workshops and webinars, I look forward to continuous learning in the writing field.

STRENGTHS AND EXPERTISE

EXPERIENCE

**Medium
Writer**

April 2023 - Present

I have analyzed complex information after in-depth research to produce clear and concise articles. My background in architecture has improved my creativity skills so I easily generate unique story ideas and innovative content for diverse audiences. Skilled with content management systems, I also have basic knowledge of SEO and online marketing strategies.

Accomplishments:

- Authored thirty eight engaging and well-received stories on various topics.
 - Developed a strong personal brand and following on Medium.
 - Utilized SEO techniques to increase readership and engagement.
 - Conducted thorough research to ensure accuracy and depth in all articles.
-
